Naming images/files for competition

Bill Schwarz has written a program for Jim B. so that he doesn't have to type all of the information into spreadsheets. Please follow the naming conventions as outlined in the PCC Handbook.

Example - Pretty Rose-Joe Smith

Do not use a hyphen anywhere else on your file name or it will not work. Use the same name every month—Example Not B Schwarz one month and Bill Schwarz another month.

Thank you for your assistance to make this easier for recording the high volume of images.

February 2017 Georgetown Steam Plant Photo Adventure

Photo Adventure Time!!

This day's photo adventure is to the Georgetown Steam Plant with the expectation of capturing an award winning 'industrial' image for Pilchuck Camera Club's March challenge. But first, breakfast social at Everett IHOP where Bill, Senja and Steve meet up. Sherrie is scheduled to meet us at the steam plant.

Nineish we head south to Georgetown – but were a bit early for the opening of the steam plant so we take a short side trip to Oxbow park to view 'hat & boots' that were salvaged fro an old gas station. Now off to the steam plant.

It's the bussiest I've ever seent the steam plant. In addition to the customary group

of photographers and tourists there are several groups there to do model photography, even bringing in lights and cosmeticians. The 'candy' themed model shoot was particulary interesting with the models dressed in multip colored candy themed atire and holding giant lollipops. One of the female models was wearing hight spiked heals decorated with Skittles, Skittles on her vest, Stittle streamers on her skirt and candy bits on her face and around her mouth. I heard one of the models comment that it was difficult not to 'eat my lips'.

But we weren't there for 'candy' photographs and though it was crowded it didn't interfere with out goal of 'industrial' photography.

I've had the opportunity to visit and photograph the steam plant on several occassions now. Always intriguing. Always a challenge. Always looking for something I've not seen before. A new perspective. A redo of something I've done before but wasn't quite happy with. Will likely return again. The steam plant is open the 2nd Saturday of each month at 10:00 AM Admission is free. Tripods are permitted (except on the 2nd floor gangway) as long as you don't obstruct access to the other visitors.

Wood Duck Trio By Steve Lightle

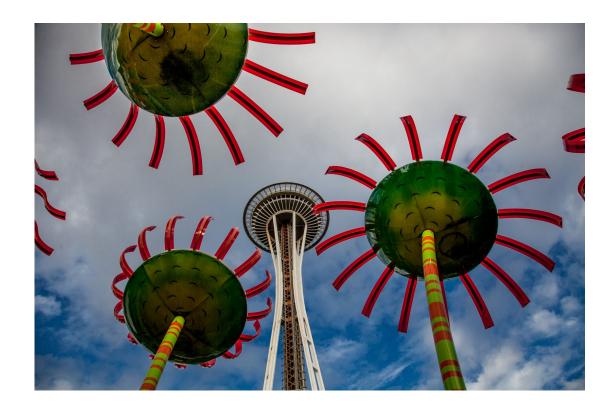

Cover Image Sylvanna Church—Bob Patrick

Sunday, Feb 5, 2017 2:49 PM, D800e, 12-24 Sigma F4.5-5.6 at 12mm and F8, Aperture Priority, matrix metering, shot as metered, ASA 400, hand held. Processed using CS5.1 and NIK free software download in "Color Effects" (I think). Used the preset that gave me the surreal effect I thought stirred up the image best and gave the sky some mood.

The first time I saw this place was about 1991, in snow. The first photo I remember shooting here was on a Pentax 6x7. No idea where to find that image, today. If I remember correctly, a woman in the Office bought a 16x20
