Title: Yellow Leaf

By: Sonya Lang

This was taken this fall during a portrait session at Swan Trails. I found the leaves interesting but most were more brown than anything. It took a little searching but I found one yellow leaf and placed it over some that had a bit of color. ISO 400, f.4, 1/640 97mm hand held. I took into PS and cropped square because I love symmetry and then processed with Nik, glow and detail extractor filters at about 50% opacity.
