Robert Dale Patrick

Obituary

Robert Dale Patrick, 75, died at his home, Saturday, February 26, 2022 after a very short illness. Born in Seattle, raised in Eastern Washington, graduated in 1964 from Lewis & Clark HS in Spokane. Following graduation, he joined the US Marine Corps, serving four years. He moved to Seattle where he met and married Joanne on July 10, 1970, and celebrated 51 ½ years of marriage. He worked as a commercial appraiser for the King County Assessor's office until retirement, then moving to Cle Elum where he had a fabulous view of the Stuart Mountains. He loved his many animals. He was very proud of his 2 sons, Alan and Dale and their families. He was known as Bob, My Love, Babe, Dad, Pops Uncle Bob and Umpa.

Bob was an excellent photographer. We found over 100,000 photos on his computer. He was a man of action serving his neighbors, his community and fellow veterans. He was an analyzer and problem solver and preferred to wear jeans and a plaid shirt. Bob lived with honor and commitment to remember those who served our country. He served in the Missing in America project, Patriot Guard Riders, Bikers Against Child Abuse and Sons of Union Veterans of the Civil War. He

partnered to give military honors and a proper burial to over 200 veterans that had been lost or forgotten

Survived by his wife Joanne; sons Alan and wife Anny; Dale and wife Lindsay; seven grandchildren - Lily, Riley, Liam, Audrey, Gavin, Ava and Josie; sister Shirley Phillips; three nieces and one nephew, their spouses, other family and numerous friends. He was preceded in death by his parents Russell and Florence Patrick, in-laws Harold and Cathleen Christiansen, sister-in-law Jan Davis and granddaughter Nora. In his last days, Bob Patrick put his faith in the Lord Jesus Christ.

Two services will be held to honor Bob. A graveside service with Marine military honors will be conducted at 11:30 a.m. on Thursday, April 7, 2022 at Tahoma National Cemetery in Kent, Washington. Dress according to weather. A Celebration of Life service will be conducted at 1:00 p.m. on Saturday, April 9, 2022 at the Cle Elum Alliance Church, 327 Madison Ave in South Cle Elum.

Johnston & Williams Funeral Home and Crematory of Cle Elum has been entrusted with caring for Bob and his family. Online condolences may be left at www.johnston-williams.com

Swap Meet

Since we have not had the banquet raffle for two years now, I think many of us have extra photography related things hanging around that we no longer use/need/want. So, at the April meeting, we will bring it back (slightly altered) and here is how that will work.

1. Bring anything photography related that you no longer use/need/want to club night. This can be books, gear, bags, tripods, etc. Anything that is photography related.
2. We will give each person raffle tickets and as your number is drawn, you get a pick at the goodies available at the exchange table. We will not be making this a money-making raffle this year and the tickets will be free as you arrive.

Start cleaning out your photography room! 😊

April meeting will be another member/club commentary night as well. Hope you will be able to join in the fun!

Outing – Deception Pass

Deception Pass Spring Equinox field trip, March 16, 2022

It was looking promising when we left for Coronet Bay hoping to get the big ball in the sky to set underneath the bridge from the Coronet Bay beach. We checked the tide table and knew that we would have plenty of beach to set up tripods and watch the tide continue to go out.

When we arrived, clouds covered the sky and created beautiful texture. PCC members along were Debbie, Ryan, Sherrie, and Sonya. We walked out on the beach to see only one other photographer further down the beach. We set up in our desired spots and got busy talking and playing with compositions. Soon we look up to see Steve! The other photographer on the shore 😊 Fun surprise! The five of us had a great night even though the sun and didn't make a good show for what we were looking for. However, as photographers we know that there is still plenty to photograph and having kindred spirits along was the most fun. Great conversation, learning, sharing and just a generally fun night on the beach!
